Projects

Festivity Mobile Application

UI Designer

Remote

Dec 2020 – Present

- Implemented a new user flow diagram and navigation elements to pre-existing wireframes to improve usability of an up-and-coming mobile application that brings professional chefs to users' homes.
- Designed style guidelines and digital wireframes for client to showcase to potential investors.

Professional Experience

Kaplow Communications

Account Executive

NYC

June 2018 - Sept 2020

- Worked directly with clients across a variety of consumer lifestyle, health and wellness brands to develop effective and compelling communication strategies, creating positive brand awareness among consumers.
- Collaborated with designers to create marketing materials and unique look books to showcase seasonal collections to media.
- Measured ROI by delivering quantitative and qualitative quarterly/yearly reports, analyzing YoY results against key performance indicators such as number of impressions, net reach and quality of media coverage.
- Created and distributed pitches and press material to secure local, regional and national media coverage, personally securing over twenty stories on clients' brands, collections and product launches.
- Monitored and reported on competitor tactics and changes in the media industry to educate clients and influence future program strategies.

LaForce

Public Relations Intern for Global Brands Team

NYC

Summer 2017

- Worked alongside account managers and coordinators to help create branding collateral, write pitches and track online and social media coverage.
- Competed in and won 1st place in an intern team project to develop a creative brand collaboration and communication strategy for an existing client, which included social media tactics and event execution.
